

Div. 5.25. Tennis Court/Basketball Court Lighting.

The lighting of new or existing tennis courts/basketball courts may be permitted in any zoning district as a conditional use pursuant to Division 3.3. However, such facilities must meet all of the following standards in order to be approved by the Village Council:

- a) A photometric plan shall be submitted which specifies the illumination levels, expressed in initial footcandles, along all affected property lines.
- b) The lighting shall be designed so that any overspill of lighting onto adjoining properties or street rights-of-way shall not exceed 0.5 footcandle vertically or horizontally and shall not cause any reflected illumination onto adjacent properties, structures or rights-of-way.
- c) Lighting standards and fixtures shall not exceed 18 feet in overall height and shall be located within the confines of the tennis court(s)/basketball court(s).
- d) Tennis court/basketball court lighting shall not be used between the hours of 10:00 p.m. and 8:00 a.m.
- e) Prior to the issuance of a certificate of use, the permittee must submit a letter of compliance from a registered engineer or architect stating that the installation has been inspected under operating conditions and found to be within the requirements set forth above.
- f) The lighting shall not be injurious to the area involved or otherwise detrimental to the public welfare.
